The Company wishes to announce that the Company has incurred an unrealized foreign exchange loss of RM1.559 million which amounts to more than 5% of the Company's profits after tax for the First Quarter 2010 or RM1 million, whichever is higher.

The unrealized foreign exchange loss arose when the Company's open foreign exchange contracts as at 31 March 2010 were marked to market as required by FRS 139 using the current market rates prevailing as at 31 March 2010. The rates were obtained from the Company's bankers.

The current rates are reflective of the strengthening of the Ringgit Malaysia against the Company's primary trading currencies.

The Company enters into foreign exchange contracts to hedge all future foreign exchange liabilities in line with DKSH Group's policy which is to hedge all positions except in the cases where the Company's suppliers assume the risks.

This announcement is dated 13 May 2010.
